## Wedding Cakes and Tiered Cakes

Wedding cakes and Tiered cakes are priced per serving. Prices start at \$3.75 per serving. Each cake is custom, so it is recommended that you set up a consultation for a wedding cake or large tiered cake. This appointment usually takes about 1 hour. Please bring any photos of cake styles that you like and any color swatches for matching. Each scheduled appointment has a complimentary cake tasting. Please call to schedule one.

Sculpted cakes are done on an individual basis and priced accordingly.

If your order requires special items such as decorative cupcake liners, figurines, toys or other items, those items must be provided by the customer.
